Assessment Methods and Procedures for the Program

The assessment for each module in this program will be based on a single comprehensive assignment. Each assignment will require a minimum of 4500 words and will be designed to evaluate the student's achievement of the learning objectives outlined for that module.

The general assessment criteria across all modules will include:

Depth of Understanding (40%): This criterion assesses the student's grasp of the core concepts and principles of the module. It evaluates the ability to explain, interpret, and critically analyze the material.

Application and Analysis (30%): This criterion assesses the student's ability to apply the learned concepts to real-world scenarios or case studies.

Critical Thinking and Evaluation (20%): This criterion assesses the student's ability to critically evaluate different perspectives, identify strengths and weaknesses of arguments, and formulate their own informed opinions.

Clarity and Organization (10%): This criterion assesses the clarity, organization, and coherence of the student's writing. It evaluates the ability to communicate ideas effectively and persuasively.

Criterion: Excellent (90-100%) ; Good (80-89%) ; Fair (60-79%) ; Needs Improvement (Below 60%)
